Please do contact us by phone if you are reporting any illnesses (01229 828348).

And here we are, the final school newsletter of the year. The year has passed in a flash and we are now at the point of creating a memorable end for our Year 6's and planning an even better year to come for our other classes.

Goodbye

As the year draws to a close we are saying a fond farewell to a couple of our staff. Miss Kneale, who has been an incredibly loyal member of staff, leaves us to pursue a career she has always wanted to try and Miss Watkin finishes her time with us before moving to a new, exciting opportunity in BAE. I would like to personally thank both for their effort and dedication during their time here. Both will be sadly missed.

Welcome back

We are looking forward to welcoming back both Miss Chester and Mrs Burns who return this month following their time on maternity leave.

Summer Fayre

Details on the summer fayre will be shared closer to the date.

Social Media

Please note that over the last few weeks we have seen an increase in the amount of issues taking place outside of school regarding social media. We have educated the children thoroughly on acceptable use of social media and age restrictions. I am asking for parents to be more vigilant in their control over their children's interaction and access to social media.

Father's Day celebration

Thank you to all those that could make our celebrations. It was great to see parents from throughout the school attend.

Reports

You will receive your child's school report via ClassDojo on Friday 4th July. Once read, please can you provide a comment on the report via ClassDojo.

Make up

Please note that we have noticed a couple

of our older children wearing make up. This is against school policy, please note that children will be asked to remove it if necessary.

Toys in school

We love to hear about our children's interests in and out of school and we know that sometimes items are brought into school that are of emotional value. If these items are ever lost then we will endeavor to find them, however please note that items are brought in at the owners own risk.

Work of the half term

A reminder that our final work of the half term assembly for this academic year will take place Wednesday 16th July. As always, our Reception—Year 2 (with some of Nursery) assembly will take place at 9 a.m. and our Year 3—Year 6 assembly will take place at 2:40 p.m.

Year 6 Leavers production

We look forward to introducing our Year 6 production. Year 6 having been practicing with great excitement for our production of Cinderella. This will take place on Monday 14th July at 2 p.m. at Furness Academy and is open to the whole school community.

Year 6 Leavers assembly

Our Year 6 Leavers Assembly will take place in school on Friday 18th July. This will be just for the families of our Year 6 children. **This is also the last day of term and we will finish school at 1:15 p.m.**

Parent survey

As a school we are always looking for ways we can improve or moments to celebrate. Over the next week there will be an online parent survey. If you could take a few minutes to complete this, it would be greatly appreciated.

Thank you

As the academic year draws to a close, I would just like to say thank you to our school community for their support this year. It has been a great year and I look forward to many more here at Parkside.

Many thanks,
